

Featured Cat

Donald

Donald/Teddy is such a good-natured sweetheart that everyone falls in love with him. He is a little timid at first, but after he warms up to you he loves to be petted, and loves a good scratch behind the ears. He likes to be around, but not really a lap cat.

He's a glass-half-full kind of cat, makes lemonade out of lemons, blooms where he's planted! He's a big ol' sweetheart of a cat for those who like cats big and rangy -- he's lean and LONG with a long beautiful orange tail.
