Death Breakdown

3 kittens died from trauma

18 kittens were neonatal and died (less than 6wks of age), most were orphans without mothers and most had illness at time of death (i.e. URI, diarrhea, etc)

2 dogs died from parvovirus while undergoing extensive treatment

3 infants died shortly after birth

1 puppy was undergoing surgery to repair a congenitally deformed anus and passed away during the surgery

Missing Breakdown

1 cat was stolen from one of our PetSmart locations, a police report has been filed.
