Death Breakdown

1 kitten died due to complications resulting from feline leukemia
 9 kittens that died were neonatal
 1 adult cat died due to kidney failure

2 kittens died from unknown causes

1 kitten was partially paralyzed on intake and very sick, eventually died from complications

1 puppy died from trauma

6 puppies died while undergoing treatment for distemper

1 puppy died while undergoing treatment for parvo

6 puppies died shortly after birth

Euthanasia Breakdown

All 6 dogs euthanised this month were due to distemper that did not respond to treatment and the puppies were suffering.

1 Senior cat had liver failure brought on by a blocked bile duct and non-functioning gall bladder. During surgery to remove gall bladder she arrested and was revived 4 times before finally deciding to euthanise her after 5th arrest.

1 kitten was euthanised due being very sick and untreatable because of complications from feline leukemia
