Shelter Wish List

From treat logs and gentle leaders, to kittenscales and pumpkin puree, you'll find our wish lists are quite eclectic! Our needs vary and change throughout the year; to ensure we're putting your generosity to best use, we update these lists frequently to keep you in the know.

Why Donate Supplies?

Donations from the public make up a big portion of the supplies we use to take care of our animals in the shelter and in foster homes! If you have items at home that you are considering giving to APA!, please check the list to ensure we can make the best use of your donation, or scan the QR code to go through our various Wish Lists to see the items we can accept.
