

Monthly Report on License Agreement 2023-01 January

This report is in agreement with the terms outlined in Section 8.4 of the License Agreement between the City of Austin and Austin Pets Alive! with a focus on APA!'s impact on Travis county through our partnership with Austin Animal Center.

Summary: Austin Pets Alive! (APA!) continues to be the city of Austin's largest partner in lifesaving. APA! takes animals that have medical and behavioral issues that require a higher cost per animal than the average healthy animal in care. APA! focuses on these animals in an effort to have a measurable effect on the live release rate at AAC.

APA! Intakes transferred from AAC:

177 animals were transferred out of AAC to rescue partners in January. 84 of those were transferred to APA!, and 43 animals were born in APA!'s care to pregnant animals sent from AAC. Additionally, APA! took in 51 pets directly from owners within Travis county through the PASS program that may have otherwise entered AAC.
